AN ACT to amend the Indiana Code concerning pensions.

*Be it enacted by the General Assembly of the State of Indiana:*

SECTION 1. IC 5-10.2-4-7, AS AMENDED BY P.L.2-2006, SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 7. (a) Benefits provided under this section are subject to IC 5-10.2-2-1.5.

(b) A member who retires is entitled to receive monthly retirement benefits, which are guaranteed for five (5) years or until the member's death, whichever is later. A member may select in writing any of the following nonconflicting options for the payment of the member's retirement benefits instead of the five (5) year guaranteed retirement benefit payments. The amount of the optional payments shall be determined under rules of the board and shall be the actuarial equivalent of the benefit payable under sections 4, 5, and 6 of this chapter.

(1) Joint and Survivor Option.

(A) The member receives a decreased retirement benefit during the member's lifetime, and there is a benefit payable after the member's death to a designated beneficiary during the lifetime of the beneficiary, which benefit equals, at the option of the member, either the full decreased retirement benefit or two-thirds (2/3) or one-half (1/2) of that benefit.

(B) If the member dies before retirement, the designated beneficiary may receive only the amount credited to the member in the annuity savings account unless the designated beneficiary is entitled to survivor benefits under IC 5-10.2-3.

(C) If the designated beneficiary dies before the member retires, the selection is automatically canceled and the member may make a new beneficiary election and may elect a different form of benefit under this subsection.

(2) Benefit with No Guarantee. The member receives an increased lifetime retirement benefit without the five (5) year guarantee specified in this subsection.

(3) Integration with Social Security. If the member retires before the age of eligibility for Social Security benefits, in order to provide a level benefit during the member's retirement the member receives an increased retirement benefit until the age of Social Security eligibility and decreased retirement benefits after that age.

(4) Cash Refund Annuity. The member receives a lifetime annuity purchasable by the amount credited to the member in the annuity savings account, and the member's designated beneficiary receives a refund payment equal to:

(A) the total amount used in computing the annuity at the retirement date; minus

(B) the total annuity payments paid and due to the member before the member's death.

(c) **This subsection does not apply to a member of the Indiana state teachers' retirement fund after June 30, 2007. If:**

(1) the designated beneficiary dies while the member is receiving benefits; or

(2) the member is receiving benefits, the member marries, either for the first time or following the death of the member's spouse, after the member's first benefit payment is made, and the member's designated beneficiary is not the member's current spouse or the member has not designated a beneficiary;

the member may elect to change the member's designated beneficiary or form of benefit under subsection (b) and to receive an actuarially adjusted and recalculated benefit for the remainder of the member's life or for the remainder of the member's life and the life of the newly designated beneficiary. The member may not elect to change to a five (5) year guaranteed form of benefit. If the member's new election is the joint and survivor option, the member shall indicate whether the designated beneficiary's benefit shall equal, at the option of the member, either the member's full recalculated retirement benefit or two-thirds (2/3) or one-half (1/2) of this benefit. The cost of recalculating the benefit shall be borne by the member and shall be included in the actuarial adjustment.

(d) Except as provided in subsection (c) **or section 7.2 of this chapter**, a member who files for regular or disability retirement may not change:

(1) the member's retirement option under subsection (b);

(2) the selection of a lump sum payment under section 2 of this chapter; or

(3) the beneficiary designated on the member's application for benefits if the member selects the joint and survivor option under subsection (b)(1);

after the first day of the month in which benefit payments are scheduled to begin. For purposes of this subsection, it is immaterial whether a benefit check has been sent, received, or negotiated.

(e) A member may direct that the member's retirement benefits be paid to a revocable trust that permits the member unrestricted access to the amounts held in the revocable trust. The member's direction is not an assignment or transfer of benefits under IC 5-10.3-8-10 or IC 5-10.4-5-14.

**SECTION 2. IC 5-10.2-4-7.2 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 7.2. (a) This section applies to a member of the Indiana state teachers' retirement fund after June 30, 2007.**

**(b) If a member is receiving a benefit from the fund and:**

- (1) the member's designated beneficiary dies;
- (2) the member and the member's designated beneficiary are parties in an action for dissolution of marriage under IC 31-15-2 in which a final order is issued after the member's first benefit payment is made; or
- (3) the member marries after the member's first benefit payment is made, and:
  - (A) the member's designated beneficiary is not the member's current spouse; or
  - (B) the member has not designated a beneficiary;
 the member may make the election described in subsection (c).
- (c) A member described in subsection (b) may elect to:
  - (1) change the member's designated beneficiary or form of benefit under section 7(b) of this chapter; and
  - (2) receive an actuarially adjusted and recalculated benefit for the remainder of:
    - (A) the member's life; or
    - (B) the member's life and the life of the newly designated beneficiary.
- (d) A member making the election under subsection (c) may not elect to change to a five (5) year guaranteed form of benefit under section 7(b) of this chapter.
- (e) If a member elects a benefit under subsection (c)(2)(B), the member must indicate whether the newly designated beneficiary's benefit will equal:
  - (1) the member's full recalculated benefit;
  - (2) two-thirds (2/3) of the member's recalculated benefit; or
  - (3) one-half (1/2) of the member's recalculated benefit.
- (f) The member bears the cost of recalculating a benefit under subsection (c)(2), and the cost shall be included in the actuarial adjustment.
- (g) Benefits may be recalculated under this section only to the extent permitted by the Internal Revenue Code and applicable regulations.
- (h) Before implementing this section, the board of the Indiana state teachers' retirement fund may obtain any approvals that the board considers necessary or appropriate from the Internal Revenue Service.

Sec. 25. (a) If, within ninety (90) days after a fund's first engagement with a company under section 24 of this chapter, the company ceases scrutinized business operations, the company shall be removed from the fund's scrutinized company list and the provisions of sections 26, 27, 28, and 29 of this chapter shall cease to apply to the company unless the company resumes scrutinized business operations.

(b) If a company that ceased scrutinized active business operations following engagement under section 24 of this chapter resumes scrutinized active business operations, and only while the company continues to have active business operations, the company shall immediately be placed back on the scrutinized company list. A fund that has holdings in the company shall sell, redeem, divest, or withdraw all publicly traded securities of the company as provided in subsection (a) based on the date the company is placed back on the scrutinized company list. The fund shall send a written notice to the company indicating that the company was placed back on the scrutinized company list and is subject to divestment.

(c) A board is not required to divest the board's holdings in a passively managed commingled fund that includes a scrutinized company with active business operations in Sudan if the estimated cost of divestment of the commingled fund is greater than ten percent (10%) of the total value of the scrutinized companies with active business operations held in the commingled fund. The board shall include any commingled fund that includes a scrutinized company that is exempted from divestment under this subsection in the board's report submitted to the legislative council under section 31 of this chapter.

Sec. 29. Notwithstanding any provision to the contrary, sections 26 and 27 of this chapter do not apply to indirect holdings in actively managed investment funds. However, if a fund has indirect holdings in actively managed investment funds containing the securities of scrutinized companies with active business operations, the fund shall submit letters to the managers of the investment funds requesting that the managers remove the scrutinized companies with active business operations from the fund or create a similar actively managed fund with indirect holdings without scrutinized companies with active business operations. If the manager creates a similar fund, the fund shall replace all applicable investments with investments in the similar fund in a period consistent with prudent investing standards.

Sec. 30. This chapter does not apply to private equity funds.

Sec. 31. (a) On or before November 1, 2007, and thereafter as directed by the legislative council, the board shall submit a report in an electronic format under IC 5-14-6 to the legislative council for distribution to the members of the general assembly.

(b) The report must include at least the following information, as of the date of the report:

  - (B) demobilizes and demilitarizes the Janjaweed and associated militias;

  - (D) allows for the safe and voluntary return of refugees and international displaced persons.

Sec. 33. With respect to actions taken in compliance with this chapter, including all good faith determinations regarding companies on the scrutinized company list, the fund shall be exempt from any conflicting statutory or common law obligations, including any obligations with respect to choice of asset managers, investment funds, or investments for fund securities portfolios.

Sec. 34. (a) Notwithstanding any provision to the contrary, the fund shall be permitted to cease divesting and to

reinvest in certain scrutinized companies on the scrutinized company list with active business operations in Sudan if evidence shows that the value for all assets under management by the fund becomes equal to or less than ninety-nine and five-tenths percent (99.5%) of the value of all assets under management by the fund, including the companies divested under section 26 of this chapter.

(b) As provided by this section, any cessation of divestment or reinvestment shall be strictly limited to the minimum steps necessary to avoid the contingency set forth in subsection (a).

(c) For any cessation of divestment, reinvestment, and subsequent ongoing investment authorized by this section, the fund shall submit a report in an electronic format under IC 5-14-6 to the legislative council for distribution to the members of the general assembly in advance of any initial reinvestment. The report shall be updated annually thereafter as applicable, setting forth the reasons and justifications for the decision to cease divestment, reinvest, or remain invested with companies with scrutinized active business operations. This section does not apply to companies that have ceased to have scrutinized business operations.

Sec. 35. (a) Both:

(1) the state and its officers, agents, and employees; and

(2) the fund and its board members, executive director, officers, agents, and employees;

are immune from civil liability for any act or omission related to the removal of an asset from the fund under this chapter.

(b) In addition to the immunity provided under subsection (a), both:

(1) the officers, agents, and employees of the state; and

(2) the board members, executive director, officers, agents, and employees of the fund;

are entitled to indemnification from the fund for all losses, costs, and expenses, including reasonable attorney's fees, associated with defending against any claim or suit relating to an act authorized under this chapter.

Sec. 36. The provisions of this chapter are severable in the manner provided in IC 1-1-1-8(b).
